Paul-I know you are on your way to Penn mine for the mine tour with media. If

asked about the Gold King Mine please use the following statement and refer them to the website below:

EPA is working around the clock to address the Gold King Mine release help affected communities. We are committed to understanding what happened in this event, learn from it, and apply any lessons we need to apply. EPA has worked successfully to address abandoned mine impacts throughout Colorado and the Rocky Mountain West.
